Annual Event to Be Held There for First Time-Arrivals at Cottages.

Special Despatch to THE NEW YORK HERALD LAKE GEORGE, N. Y., June 18 .- The annual regatta of the American Canoe Association will be held in Bolton Bay on next Saturday. This will be the first time the largest of American watermen associations has held a race on Lake George. The situation of Bolton Bay, land, and wooded islands, assures the

land, and wooded islands, assures the entrants of calm waters for the racing and of many natural ampnitheatres for the spectators.

Reed Miller and wife, Mme. Nevada Van Derveer, both well known on the concert stage, have leased one of the largest cottages in the Bolton Bay section and have arrived.

Mme. Louise Homer of the Metropolitan Opera, and her husband, Sidney Homer, composer, have arrived at their cottage. Mr. and Mrs. Homer's daughter, Louise Homer, who was married to Ernest Van Rensselaer Stires, son of the Rev. Ernest M. Stires, rector of St. Thomas's Church, New York city, this spring, is a frequent week end visitor at the Lake George cottage, as her home is in Glens Falls.

Miss Olive Kline, well known on the concert stage, has purchased the southern half of Bellvoir Island, which adjoins the Homer property, and is erecting a summer home.

William G. Becker, vice president of

mg a summer home.

William G. Becker, vice president of William G. Becker, vice president of the American Aniline and Dye Company, formerly of New York city, has decided to make Lake George his home, and is spending several hundred thousand dol-lars developing his lake shore property. He is assisting in planning a Fourth of July celebration at Bolton. Part of his development work there is the converting of a large swamp into sunken Japanese gardens and a system of canals and bridges.

#### Airplane Service for Delaware Water Gap

Special Despatch to THE New YORK HEALD.

DELAWARE WATER GAP, Pa., June 18.—

An airplane service has been started here and flights are being made daily by sojourners over the scenic points in this vicinity.

Flights in a Curtiss plane have been made by George F. Coles of Pine Valley, N. J. The plane has evolved many valuable ideas in air craft as applied to mountain and river transits. Flights here heretofore have been made by professionals only. One time Judge Joseph N. Graves, who owns the historic Central House, was a filer in the plane to the scene of an Indian spot of historic value.

the scene of an Indian spot of historic value.

Members of the City Employees Association of New York City and a similar organization of the Philadelphia municipality are expected here for the Independence Day holidays. The Stroudsburg High School had an outing this week on Delaware Island, where field events were held.

The bass season is certain to be a good one in the Upper Delaware, which has been restocked with three different kinds of the gamey fish.

Golf, tennis and bowling tournaments are among the many diversions for the sojourners.

At Mount Pocono many early vaca-

sojourners.

At Mourt Pocono many carly vacationists have arrived. There was a dance last Saturday at the Pines Assembly Casino, which was attended by soldiers and civilians. The Federal Training Centre is under the educational direction of W. J. Lahodney, a Government expert. Many ex-service men are arriving almost daily. These will be put through training in a vocational, professional or craft way.
